The obligations in relation to the monthly VAT declaration usually do not get the full attention of the entrepreneur. And that is logical.

Everyone has his strengths. As an entrepreneur you must earn money and the VAT declaration should be done by a **specialist** that really understands **your VAT obligations** and the **requirements of the tax authorities**.

ALLVAT and its experienced network can take care of your **international VAT** returns. When a specialist files your returns you **never pay too much VAT**.

Contact ALLVAT for an appointment via **info@allvat.com** or call for a conversation about your VAT return.
