

# ALLVAT

*"The domestic and foreign laws change continuously. How do I know which VAT rate to apply? "*

*"For the overview you must stay on top and for the best strategy you definitely need expertise of the matter. "*

*For more than 19 years ALLVAT has been advising companies in and outside the Netherlands. Publicly listed or just started the company, all VAT problems are the same for ALLVAT.*

ALLVAT is able to **quickly analyse** the VAT problem and what solutions exist. The problem is often not **the law** itself, but the lack of knowledge and **communications** about the VAT between buyer and supplier.

With a **helicopter view** and up to date knowledge of the **VAT rules in the Netherlands and abroad** ALLVAT assists companies with global activities.

Contact ALLVAT for an **appointment** via **info@allvat.com** or call for a VAT advice.
